A Message from President Bibi Khan, MBE, DL

In 1983, the London Islamic Cultural Society (LICS) was formed by a small group of Muslims, predominantly from Guyana, in the home of its first President, Brother Abdool Alli. Created to provide a safe space for the community to gather and worship in, the organisation moved to Wightman Road in 1987 to become Haringey's first purpose-built Mosque & Cultural Centre.

Forty-two years on, the Mosque stands tall and proud in this same spot but bigger than it once was, expanding to serve the needs of its diverse and wonderful congregation. From the moment it was founded, LICS' core mission has been to cater to its beloved community, offering high-quality facilities for prayers and teaching, while also developing ties with wider groups within Haringey and beyond.

With strong foundations established by the leaders and visionaries who paved the way for everything LICS does, the Mosque continues to grow, introducing new services and expanding its congregation – with more than 45 languages spoken within its walls.

After the passing of Brother Alli in 2018, his eldest daughter Sister Bibi Khan was appointed the first female president of LICS, following 42 years of work within the organisation and wider community. With an experienced and trusted team to rely on, President Bibi cares for, caters to and guides the LICS congregation as a respected leader, while developing relationships with external bodies. President Bibi continues to break barriers and promote equality for women, considered to be a role model and including in her capacity as Chairperson of Haringey Multi Faith Forum and Chairperson of the North London Council of Mosques.

A Message from President Bibi Khan, MBE, DL

“At a time when our community is experiencing challenges, from personal struggles to the distress caused by the violence against our brothers and sisters across the world, we pray that Almighty Allah continues to watch over us and our Masjid. May He protect us from evil and grant us the ability to live our lives with dignity and purpose, keeping our faith forever true in our hearts. Ameen.”

In these worrying times, our belief and our unity are an anchor. We must continue to stand together against hate, on the side of justice, peace and equality. At LICS, our core focus will always be to provide a safe, inclusive space to practice our beautiful religion, delivering Islamic teachings and guidance. At the same time, we are committed to offering broader cultural, social, educational and charitable services for the good of the wider community, promoting a more unified, accepting society.

Together, we are making meaningful change and have established LICS as a pillar of the local community. Our extensive range of services includes youth programmes, counselling, help for refugees and support for victims of anti-Muslim hate crimes and racism. At the same time, our ongoing work with the Gospel Centre Foodbank ensures we are supporting those who need it most in a practical and effective way benefiting all communities.

Our strong interfaith relationships with local churches and synagogues, as well as our partnership with the Haringey Multi Faith Forum, for which I am Chairperson, help to foster peace and understanding, keeping us all on the path to a safer, better future.

Meanwhile, we continue to develop trusting, open relationships with local government, ensuring the voices, needs and concerns of our congregation are heard. My role as Deputy Lieutenant of Haringey helps to improve our access to Haringey Council and officials across London, raising the profile of issues which affect us and our diverse community achieving positive change across key sectors including education and youth services. Being a DL highlights and enables me to recognise the good work and efforts of charities, groups and individuals in our community.

Our important work would not be possible without our trusted and valued team of helpers. We thank them and pray they are rewarded by Almighty Allah for all they do. We also thank each of our members and all friends of LICS for your support. By continuing the work of those who came before us, including my father President Alli, we pay tribute to them while building a better future. We pray Almighty Allah continues to guide us on this journey and protects us all. Ameen”

HRH The Duchess of Cornwall visits LICS to see our community work.

I have grown with this mosque, seen it emerge from a synagogue to a community centre to now an outstanding iconic building in North London, not only a Mosque for the Muslims but also a centre of unity for the whole community.

In my teenage years I used to come here to pray and soon was offered the honour of leading Jum'a. I feel proud of its 40 years journey, I pray for its founders, especially Mr Alli and his family. Their dedication and leadership has made the Mosque what it is, London Borough of Haringey is culturally and spiritually richer because of it. May it continue to benefit all in our community for generations.

Ajmal Masroor

I started the activity in this mosque twenty years ago when it was in the process of building and construction. Uncle Alli, may Allah have mercy on him, was a director and all the management staff at the time, opened the doors for us and welcomed us and the entire Muslim community in the area.

They provided great services and contributed to the unity of the Muslim community and reunification, firstly by performing the five daily prayers, Friday prayers and Eids, while the Haringay and surrounding area lacked such a centre, and secondly By giving the children of Muslims the opportunity to study the Qur'an, Arabic and religion. A lot of the children became a Hafith and lead Taraweeh prayers during the month of Ramadhan.

Praise be to Allah. The combined efforts of management and community members made the Mosque to become what it is now. Praise be to Allah first, then thanks to the management of the centre and its employees and everyone who contributed from near or far.

Sheikh Nadir (Monday Adult Class & Friday Children Madrassah)

LICS has been in our hearts for over 40 years, as we knew Brother Alli and his family before LICS was formed. From teaching the children and holding Islamic events in Brother Alli's home to the magnificent Mosque/Cultural Centre we have today. LICS is and has always been within our hearts, we witness and are part of every aspect of work carried out by the Trustees and community.

Working to make things safer, easier for all, irrespective of religion, culture or diversity. We support LICS's work with the Police, Inter Faith, NHS, the Council and other agencies; and we admire the progress made. The legacy continues in us all, we are and have been part of LICS's development and Insha Allah we will continue to be. LICS are trailblazers in our and the wider community. May Almighty Allah continue to bless LICS in their work for our future generations.

Uncle Abdool Alli's legacy is definitely being continued!

Imam Is'haaq Jasat

I have been associated with this London Islamic Cultural Society with brother Abdool Alli from early 1980s. Now it has been established as centre of excellence for all Islamic activities in this part of London meeting the needs of all Muslims with different languages and ways of celebrations of social activities.

Now on its 40th year the present President has been recognised by the government for excellent work of liaising with people of other denominations. We feel very proud the way this centre is being run.

The Sisters Circle has been held for many years. LICS allows us to facilitate and deliver Islamic knowledge to the sisters in our community. We have held discussions on women's issues, health and wellbeing, relationship advice and we offer support where it is needed. The group has grown through the years despite the effects of the pandemic. We welcome various speakers to talk to our sisters such as the Police regarding security and safety and dealt with a variety of topics including bathing the dead. The Masjid is the Hub and heart of our community and a safe and welcoming place for all sisters and their children.

Sisters Circle - Sisters Rehana, Nazneen, Atoufa and Tahera

In recognition of LICS 40th year. LICS has been an integral part of our lives and of Haringey and the wider community. We value the relationship with the Masjid dating back to Brother Alli's connection with our parents.

LICS are leaders in our community not only for the Muslim community but we admire LICS's work for community cohesion. LICS continue to lead, progress and build on a special legacy. May Allah bless and reward LICS and allow success to continue for our future generations.

LICS is so important to the community in and around Turnpike Lane and Haringey. It is the life and soul of the Muslim community in the area and for the past 40 years it has worked tirelessly in bringing everyone together, regardless of race, religion and creed.

Abu Shohid [Shablu] Nurjena Restaurant, Southgate

Uncle Ali established LICS 40 years ago with a vision to serve the community and the mosque to be inclusive to the wider community.

His vision was to ensure that the Mosque was a place where the community could come for advice, guidance, spiritual obligations and a learning centre about Islam for all age groups and gender. Alhamdulillah, Allah SWT has fulfilled his vision and today LICS is one of the leading Islamic Centres.

May Allah SWT continue to provide guidance and strength to the management so that this legacy can continue for generations to come

LICS HISTORY AND BACKGROUND / Haringey's First Purpose Built Mosque

LICS is a unique and dynamic organisation who work in partnership with communities countrywide to provide essential services to our users and local community. We provide educational services, youth programmes, counselling, advice on welfare benefits, marriages, support with problems such as relationship breakdown, funerals, and support for the elderly and families, observance of Islamic events, in addition to religious guidance. The future of our communities rests in the hands of our youths, they need guidance and support to understand and shape the future. LICS are committed to working for peace and harmony within our communities.

1983

23 JULY 1983 - London Islamic Cultural Society was formed in the home of the late President Abdool Alli by a small group of Muslims predominantly from Guyana, South America; who saw the need to bring together its members both religiously and socially. The primary aim of the Society was to engage, communicate and support the diverse community by establishing a Mosque/Cultural Centre and to provide essential services which would also benefit the wider multi-ethnic community. LICS was officially registered in 1983 as a charity governed by its constitution. Initially all gatherings were held in our first 'home', the home of our President, Abdool Alli, as numbers grew, school halls were used.

1985

24 MAY 1985 - LICS purchased its first centre, a house in Parkview Road, Tottenham N17 for a price of £41,260. Funds for this purchase were raised by donations and Interest Free Loans and were fully paid prior to its sale in 1987. Park View Road very quickly became too small for this progressive, dynamic Society as users increased.

06 JULY 1987 - LICS purchased 389-395 Wightman Road, N8 at auction for a price of £150,500. This building was originally the home of the Hornsey & Wood Green Synagogue. Proceeds from the sale of Park View Road, donations and Interest Free Loans collectively freed this building of debt. The Centre provided better facilities for users and secured our commitment to working with schools, faith groups, hospitals, the council, Police, and other agencies. As the Mosque/Cultural Centre developed more space was needed for our growing users, including facilities for sisters and their families.

1987

31 OCTOBER 1991 - LICS negotiated with Haringey Council and purchased land adjacent to our existing building for £32,500. Outline planning permission was agreed for LICS to erect a purpose-built Mosque/Cultural Centre. Users and members raised the purchase price so that the land was free of debt shortly after acquisition.

1996 - Full planning permission was granted to erect the First Purpose-built Mosque/Cultural Centre in the borough of Haringey. Brother Haroon Phobee, Architect designed the building and the late Al-Haj Mekaheel Maknoon provided legal guidance.

15 SEPTEMBER 1998 - Building works commenced and a dream became a reality for President, Brother Abdool Alli, where his visionary leadership, his foresight and ambition to succeed to provide a centre for the community. Brother Capan Er helped LICS by providing skilled craftsmen to complete the beautiful building we have today.

1991

12 JULY 2002 / 25 AUGUST 2002 - The new Mosque was officially opened with representatives from the council, Police, Faith Groups, dignitaries, valued members, and members of our community. In 2002, LICS became a Trust with a Board of Trustees.

END OF JUNE 2004 - LICS successfully raised the sum of 1.2 million by interest free loans, and donations to erect the building. At the end of June 2004 LICS raised enough funds to free the building of debt, Alhamdulillah. A thanksgiving event was held on 18 July 2004.

05 DECEMBER 2011 - Planning permission was granted to build a new development with facilities such as classrooms, banqueting hall and accommodation for use by the local community, council including partners for networking purposes.

14 MAY 2012 - BUILDING WORKS BEGIN ON NEW DEVELOPMENT - LICS announces the start of building works to provide additional facilities. The Society leases a building, Willmott House, to proceed with a new development to erect two additional floors above the old Mosque. This accommodated continuation of services such as prayers and madrassahs. Estimate for new development was 1.5 million plus the cost of modernising the existing main Mosque and works on merging the two buildings. Final cost was 2.2 million.

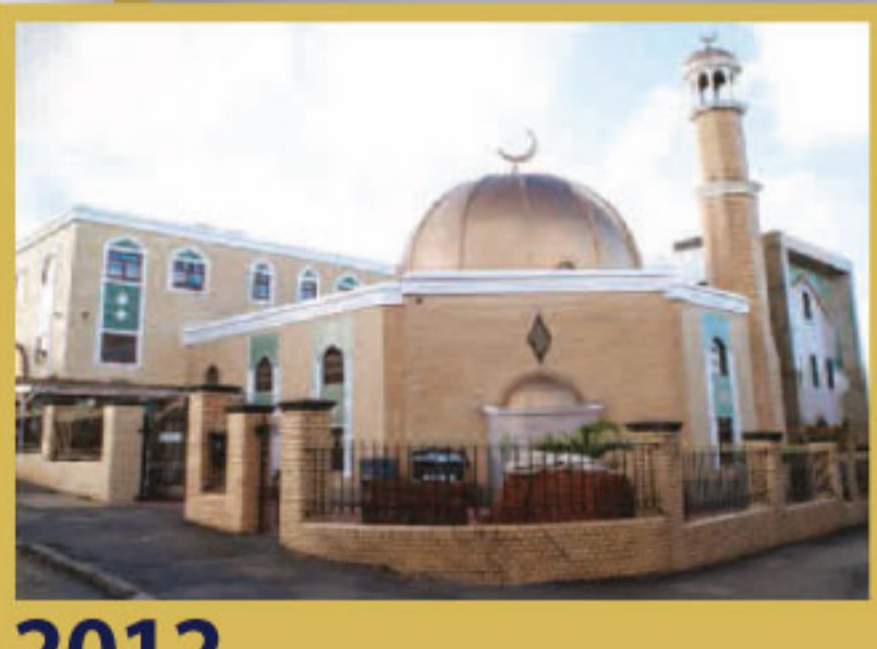

1998

JULY 2013 - BUILDING WORKS COMPLETED - Brother Capan Er of Er Building Services completed construction in July 2013. The new facilities was opened in Ramadan 2013.

MAY 2018 - 122 Rathcoole Garden, a property gifted to LICS was sold. It was agreed by Trustees to purchase another property or to look at other initiatives once the debt was cleared.

11 MARCH 2018 - LICS FOUNDER AND PRESIDENT RETURNED TO ALLAH - On the 11th March 2018 our dearest, dynamic and caring President, Brother Abdool Alli passed away. At the time of Bro. Alli's passing LICS owed 98k in interest free loans but were successful in raising funds to FREE the Masjid of Debt in September 2018. Alhamdulillah. In September 18, LICS held a celebratory event to recognise the work by all in the community.

2012

12 DECEMBER 2019 - LICS appointed Sister Bibi Khan as President. This was significant as Sister Bibi is the first woman to lead LICS. On 24th May 2019 LICS President was invited to attend the Queen's Garden Party in recognition of the work carried out by LICS.

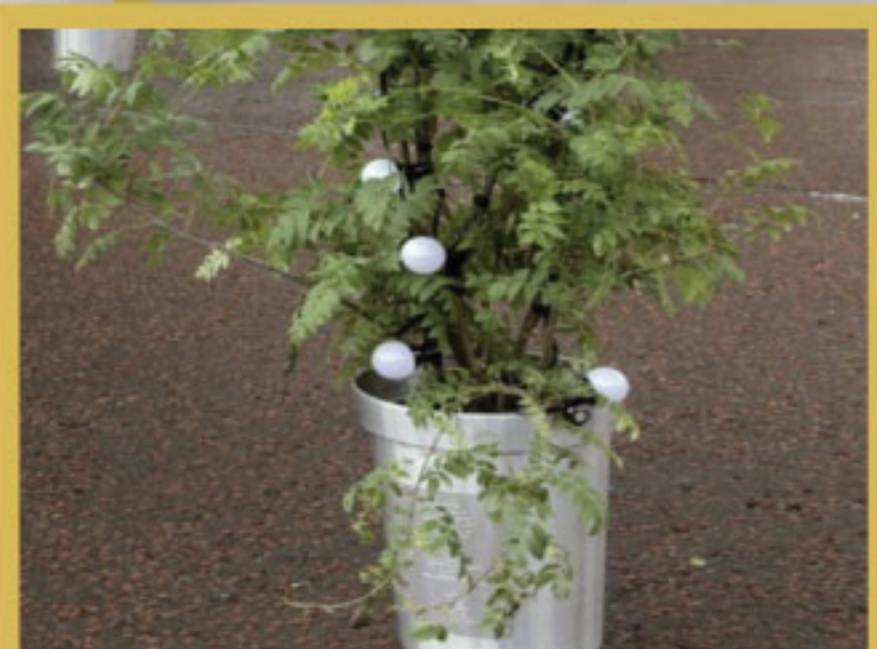

13 FEBRUARY 2020 - LICS purchased a piece of land adjacent to 46 Denmark Road N8 which had planning permission to erect a 4-bedroom detached property. The land was purchased at auction. LICS completed the purchase on 12th March 2020. Due to covid-19 Pandemic there was a delay in building works, which eventually began in December 2020. Building works was completed in July 2021 however final transfer was obtained in October 2022.

2022

01 JANUARY 2022 - LICS President, Bibi Khan was awarded an MBE by Her Majesty Queen Elizabeth II and on 15th February 2022 was appointed as Deputy Lieutenant for Greater London, appointed by the Lord Lieutenant, His Majesty's Representative for Greater London. It is a strong belief of the President that this recognition is for the work done in our community and by all our role models who were instrumental in establishing LICS.

03 OCTOBER 2022 - LICS were gifted a tree in an embossed pot with Her Majesty's cypher and reflective of Her Majesty's planting initiative, The Green Canopy. LICS were nominated by the Vice Lord Lieutenant in recognition of the positive and measurable impact LICS has on their communities and in gratitude for tireless efforts. The tree is to be planted in the grounds of the Mosque.

2022

NOVEMBER 2022 - LICS were recognised by the London Faith & Belief Community Awards 2022 for services to and for faith and belief communities in Greater London for work carried out for community support. LICS were awarded a certificate and £500 towards the charity.
